

N170 DIGITAL PROJECTION

N170 gives us an opportunity to mark the amazing achievements of our students past and present.

From 16 February – 1 March a digital HD outside projection which will showcase some of the best student and alumni work from across all our courses to the public and the NUA community. The projection will be switched on between 5pm and 10pm each evening.

Please do promote the screening to your own network of contacts and keep up to date with all things N170 by visiting our blog n170.today

A special thanks to NUA Graphic Communication alumni Billy Thorpe who designed the N170 ident which features throughout the projection
